

Cancellation right

Withdrawal 1

1. Cancellation policy

The right of withdrawal is governed by Section 335 of the German Civil Code (BGB). It serves to protect consumers and gives them the opportunity to withdraw from certain contracts within a statutory period of fourteen days. This includes all legal transactions concluded by means of distance communication, i.e. by telephone, fax, letter or Internet. The regulation also applies to door-to-door sales.

The withdrawal does not have to contain a reason and must be made in writing. To comply with the deadline, it is sufficient to send the cancellation within 14 days after taking possession of the goods by you or a third party named by you. In order to exercise the right of cancellation you must notify us by means of a clear declaration to:
